- The book fair raised over \$4000, giving each classroom around \$150-\$200 to spend on their classroom libraries.
- SLC's were successful. They were held in person, online and by phone.
- Family picnic was also very successful and there was a lot of positive feedback from families.
- Education week was celebrated with a pancake breakfast that the Beeland Coop put on. Families were invited to attend and was again another successful event.
- The school was able to get together for the spirit day assembly. Once again, another successful event that was enjoyed by all.
- The school has been practicing safety through planned fire and lock down drills. Giving families notice before the drills and sending a message out to the community has been beneficial to pre-warning the community that it is just a drill.
- Reading level assessments are being worked on.
- Random acts of kindness- School groups have been going to visit the seniors and reading. Winter kindness activities will be starting soon.

- Better together shirts were given out to our pre-K/K and new students. School clothing sales will be beginning soon.
- Some incidences of vandalism and theft have occurred. (Large outdoor Pylon stolen)
- Provincial wide inspections will be taking place, focused on ventilation and heating. Reports to come soon.
- Students will be allowed to wear school friendly Halloween costumes or dress in orange and black.
- Staffing- Inga Tiganov will be working with English Language learners in the afternoons and Michelle Allgrove will be teaching Phys ed to the Kindergartens and Grade 1's. We are still working on filling EA positions.
