#### **7. Old Business:**

- Store of Giving was a success.

- Madison Cameron presentation had around 50 people present. Childcare was provided by the SCC.
- Gym rental was deemed to be infeasible. TMSS currently renting for \$60, and we cannot undercut Tisdale Recreation department. There are issues with having later custodial services. A letter was written to the club to explain the reasoning behind why we are unable to rent the gym. There are also concerns around liability insurance.

#### 8. Presentation of Principal's Report (Norum)

- Twinkle tour was well received and there is much appreciation to TES staff and SCC for organizing.
- Store of giving was also a success. The school raised \$1681.31 to go to the Jim Pattinson hospital.
- Mental wellness recognition
- Salvation Army providing a hot chili lunch for students.
- Fundraising for Jump Rope for Heart
- Kinsmen Telemiracle
- Report cards will be released soon.
- Working towards school goals
- Donations of hand knitted mitts and touques by a lady who has dementia was very much appreciated.
- New outreach worker assigned.
- Family literacy day Jan 26- ordering muffins but unsure what will happen with potential sanctions.
- School clubs – looking at including some boy clubs with the help of the Kinsmen. The school has had the Kinettes help with girl clubs in the past. Will be put on pause with possible sanctions.
- Political post – strike photo had to be taken down. Would be okay if it was a community post and not a school post.

#### 9. Discussion arising from Principal's Report: None

#### 10. New Business:

- Staff appreciation week- Looking for new ideas as meals are not allowed now. Some ideas to celebrate could include creating activities, writing letters, having students do something, sign up genius for the community to get involved.
