- Grade 5 windup- Discussions to have a after school grade 5 wind up as a family engagement piece. Families to help set up and organize. Need to discuss with the teachers to get their thoughts on it. There are families with teachers would have agreed to help and open/close the school. Potentially do a Thursday evening from 6-8 or 7-8. There are lots of grade 5 families who are willing to help and organize. **UPDATE:** Janelle, Gieselle and Sandi met with both grade 5 teachers, and it was determined that parents could assist with the afternoon event and they would host at end of day so then could go a bit past the day to allow for parents to join after work. Games, music and food would be provided. SCC could look at sponsoring some food for the family engagement and also look at adding to the already large games for engagement events that could be used for this event as well. Parents could also help with the photo booth area. It was agreed a second event would not occur but extend the school one into afterhours a bit. Teachers will create a list and reach out to parents to see if anyone wants to sign up to help.
