- Scavenger Hunt
 - Overall, the kids and families who participated enjoyed the event and it was an opportunity to get to make connections with many of the families.
 - Seems like it will become a new tradition for upcoming years.
 - Some comments came in about people stopping and taking pictures in yards so it would be a good idea to ask for permission and to let people know if they are on the scavenger hunt list.
 - Many families did not preregister, so the food was in short supply for a moment.
 - Moving forward we may want to investigate getting businesses to set up displays as stops for the scavenger hunt.
 - Tim Hortons donated some of the food.
 - Next year would be beneficial to provide a safety disclaimer so we have families participating in a safe way when stopping and taking pictures at the different locations.
